Interpretation of Each Point

VARNA

The boy's varan is Vaishya while the girl belongs to Brahmin varna. At times, the natives may have some issues in adjusting with each other and therefore they may be less affable towards one another. Sometimes the boy might be over concerned about her mistakes and cause irritation for her by constantly pointing out at her faults. He may also lose his temper at her frequently. While girl will feel him inferior to her in several ways. A clash of interests seems inevitable in this alliance. The girl will be very laborious and have a determined frame of mind. She will not only be proactive in domestic affairs, but she would also like to participate socially.

VASYA

The boy belongs to Manav Vashya whereas the girl comes under Jalchar vashya. This couple earns a very less point in terms of understanding and connection between each other. The girl in this case may be a bit more emotional in handling relationships which seems to be very irritable to the boy, which in turn can cause misunderstanding between the two and the duo may feel less compatible to each other. Both have their own point of views and thought which sometimes may cause quarrels. However, if other gunas are matched well then this alliance may be taken into consideration.

TARA

Tara for boy is Mitra and for girl is Pratyari tara. As far as tara compatibility shows it is a very compatible match. The boy's behavior will be very much accommodating and he will turn out firm in the midst of adversities. The boy can help the girl to be more courageous and energetic in implementing plans, goals and in overcoming fear and negativity. The boy will also help the girl to fill in some of the practical details in his broad philosophical outlines. A compatible match, but still overall compatibility has to be there.
